

Company Highlights

Headquartered in Oklahoma City, Chesapeake's operations are focused on discovering and developing its large and geographically diverse resource base of unconventional oil and natural gas assets onshore in the United States. The company also owns oil and natural gas marketing and natural gas gathering and compression businesses.

Our focus on financial discipline and profitable and efficient growth from captured resources includes balancing capital expenditures with cash flow from operations, reducing operational risk and complexity, promoting a culture of safety and integrity, and being a great business. With leading positions in top U.S. oil and natural gas plays from South Texas to Pennsylvania, we continue to unlock value in each of our operating areas.

**Done more. Doing more.
More to do.**

In 2017 we made significant progress on increasing oil production, reducing term secured debt and improving our cost structure. Fueled by the strength of our people and assets, we are focused on our strategic goals of reducing debt, increasing cash flow generation and improving our margins.
